## Admission to the University of Regensburg as an Exchange or Special Program Student for Winter Semester 2023/24

Enclosures: 1 Instruction Sheet "Health Insurance"

### LETTER OF ACCEPTANCE

THIS TRANSLATED COPY IS ONLY FOR INFORMATION PURPOSES.

Please use the German version for your visa application etc.

Dear Ms. Nakonechna,

Following your application to become an exchange student under the framework of an exchange / partnership agreement, we are pleased to confirm your admission for the winter semester 2023/24.

The following provisions and conditions must be met to complete your admission:

1. Pay the **SEMESTER FEE (SEMESTERBEITRAG)** to the International Office. For information on the exact amount payable, payment deadline and account details, please refer to the e-mail sent to you by the International Office. Once you are in Regensburg, you will receive all your enrollment documents (see no. 3), but only after our bank has confirmed receipt of the full amount of the semester fee.
2. All students at a German university are required to carry **HEALTH INSURANCE**. Without proof of insurance which fulfils German legal requirements, the university is not allowed to enrol students. That your insurance fulfils legal requirements must be certified by a German health insurance company.
