### Letter of recommendation for Mr. Vitaliy Okhrimenko

**Letter #** : 1C/11-02  
**Date** : 15.11.2021

**Dear all,**

Hyundai Motor Ukraine LLC (04080, Ukraine, Kyiv, Novokonstantinovska str. 1-A) represented by Service Director Mr. Sergii Toporkov is honored to provide the following letter of Recommendation for Vitaliy Okhrimenko, PhD and associate professor at Kyiv National Linguistic University and our former corporate Korean language teacher as well as our translator and interpreter for the period of 2011-2014.

I know Vitaliy since 2011 as very competent, educated and talented and gifted tutor and interpreter of Korean, providing all kinds of possible activities for us including but not limited to (coaching process for Top management of the company, negotiation and interpreting services, presiding over meetings and workshops). We used to have a lot of cooperation related to dedicated trainings for the top managers of the company, providing and carrying out all translational process and negotiation as well. He proved to be extremely motivating, easy and always pleasant to deal with either on business matters or during interpersonal communication, ready to cope with the most difficult and challenging tasks, has got lots of multitasking skills, strong leadership and aspiration the outperform and be the best in whatever he was engaged in. Being very educated and polymathic he proved to be very useful for providing reliable and easy-going communication between us and our Korean partners. Gathering feedbacks on a regular basis we made sure, that everyone was satisfied and impressed by his creativity, deep and profound knowledge of Korean language as well as English, ability to teach as well as be a highly-qualified interpreter.

We highly recommend Vitaliy Okhrimenko and always recollect with deep respect all the time we would spend together working on many interesting projects.

Best regards,  
Hyundai Motor Ukraine,  
Service Director

  

Mr. Sergii Toporkov
