INFORMATION ABOUT THE PROJECT:

Project to promote the mobility in order to encourage the participation of our students in Erasmus + projects by conducting workshops and activities.

To Development of linguistic skills of young people with difficulties, To create activities related to art and culture in rural areas and to support the rural development at the local level.

THE TASKS OF **MARIIA ONISHCHENKO** IN THE PROJECT:

The main objective of this project is to offer new possibilities to young people from rural areas or those with fewer opportunities, specifically to high school students. As tasks, the volunteer had the promotion of mobility in order to encourage the participation of the institute's students in Erasmus+ projects by carrying out workshops and activities, promoting language learning for students with greater difficulties and organizing workshops related to creativity, to promote and bring art and culture closer to young people.

The European Solidarity Corps is a European Union programme, which provides volunteering, traineeship and job opportunities to young people who want to bring positive change to communities across Europe and beyond. It allows young people to develop themselves and gain valuable competences through an enriching experience abroad or in their home country, while promoting the value of solidarity, citizenship and social cohesion.
