School of Clinical Medicine

Friday, 8th September 2023

To whom it may concern

This is a letter to confirm that Alesia Haichuk attended a placement on the Cambridge Elective Scheme in the School of Clinical.

During the introduction week the student attended the following sessions:

- Interactive presentation on Palliative Care
- Clinical communication skills teaching session
- Practical procedures training
- Basic life support training

The student completed the following e-learning modules:

- Equality & Diversity Human Rights
- Fire safety
- Health and Safety, Welfare
- Moving and Handling
- Data Security Awareness
- Infection Control
- Preventing Radicalisation
- Conflict Resolution
- Safeguarding Adults
- Safeguarding Children

The placement was split into three rotations as outlined below:

1st Rotation: 24th July to 4th August 2023

Department of Upper Gastrointestinal Surgery, under the supervision of Vijayendran Sujendran and Massimiliano di Pietro;

2nd Rotation: 7th August to 18th August 2023

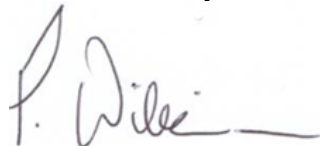

Department of Emergency Medicine, under the supervision of Rayment Dominic and Eoin Macdonald-Nethercott;

3rd Rotation: 21st August to 1st September 2023

Department of Gastroenterology Medicine, under the supervision of Jeremy Woodward.

During their placement, visiting elective students have the same access to the clinical environment as Cambridge medical students and are expected to operate within the General Medical Council's framework for student doctors (http://www.gmc-uk.org/education/undergraduate/undergraduate_policy.asp).

Yours faithfully

Professor Paul Wilkinson
Clinical Dean
