**Duncan Foord**  
Director, Oxford TEFL

## Course Overview

This is a 30-hour online group course with an Oxford TEFL tutor focusing on practical ideas for teaching IELTS classes. Participants look at a range of teaching materials and activities which can be used in IELTS classes and how to train learners in key strategies for succeeding in IELTS exams. As well as discussing ideas and receiving feedback from a tutor, participants complete three assessed assignments during the course and receive feedback from an experienced tutor via online tutorials and email.

## The following areas are covered

### **Module 1: Managing Learning**

Unit 1: Exam Format  
Unit 2: Materials and resources  
Unit 3: Course and Lesson Planning

### **Module 2: Receptive Skills and Blended Learning**

Unit 1: Reading skills  
Unit 2: Listening skills  
Unit 3: Online support and blended learning

### **Module 3: Productive skills**

Unit 1: Writing skills  
Unit 2: Speaking skills
