Subject: Acknowledgement (thank you) letter

The CARE CENTER AND SOLIDARITY (KE.ME.A) council of Komotini congratulates and thanks you warmly for your offer and contribution to teach English with creative and innovative way, within the framework of the European program Erasmus+ Youth (system and G), the members of the 2nd KAPI from 01/12/2017 until 18/06/2018.

Your teaching in learning English for the 2 courses (beginners and advanced) which you create, did not only support to acquire and remind of the knowledge from their school years, but also has contributed to the development of their memory and communication, extroversion, collaboration and solidarity between generations.

We are grateful for your cooperation, which is a sign of honor for the elderly people. At the same time, highlights that with your volunteering spirit, cooperation and quality activity, you managed successfully to create for our elderly people, a multifaceted learning environment, and also to maintain live the communication and the contact with the knowledge and the volunteering values.

We thank you very much from our heart and we hope that such partnerships between organizations that contribute positively to the coup of the generations, extroversion and also to offer and solidarity, to continue in the future.

Kind regards,

Chairman of KE. ME.A council of Komotini

Iwannis Gkaranis
