To whom it may concern:

I am writing to recommend Mary Chidera Eya. She has been working with me at GoEnglish language school as a remote English tutor and reports to me directly in my position as the principal.

As an employee, Mary is always reliable and resourceful. During her time at my school, she has managed to carry out her duties with an incredible amount of dedication, which results in her taking up a lot of research on efficient ways to tutor students. She has made a number of key recommendations that resulted in an improved teacher-student relationship, ultimately leading to a more effective learning experience.

I've always put a premium on initiative and a strong desire to learn among my staff, and Mary never failed to deliver on both fronts. Her friendly relationships, both with the staff and the students, demonstrate her willingness to cooperate and be a trustworthy colleague.

Mary is a delight to work with—a team player with a positive, can-do attitude all the way. I wouldn't hesitate to hire her again if the opportunity arose.
