Coventry University

Gareth Jones
Pre-sessional English Online Course Coordinator
Coventry University

The person named on this certificate has completed the activities in the attached transcript. For more information about Certificates of Achievement and the effort required to become eligible, visit futurelearn.com/proof-of-learning/certificate-of-achievement.

This certificate represents proof of learning. It is not a formal qualification, degree, or part of a degree.

Lavrynets Diana

has completed the following course:

ENGLISH FOR ACADEMIC STUDY COVENTRY UNIVERSITY

To help orientate students to study at university in an English speaking context, the qualities and behaviours of a successful university student were presented and explored. Key concepts and terms related to university study were investigated to enhance understanding of expectations at higher education institutions. Students also developed their dictionary skills to support independent learning, improve their pronunciation, and increase their vocabulary range for the academic context.

STUDY REQUIREMENT

2 weeks, 3 hours per week

LEARNING OUTCOMES

- Interpret key academic terminology and explore its importance and relevance to successful UK university study.
- Identify key features and conventions of academic culture in the UK, both online and on campus.
- Apply the use of a dictionary to help you extend your academic vocabulary range.
- Record new words effectively.
- Identify the form of definitions, and produce your own.
- Produce the phonemic chart to help you pronounce new words.

SYLLABUS

- Key vocabulary and concepts for the UK university context
- Exploring the approach to teaching and learning in UK universities
- Developing dictionary skills
- Analysing word forms and word families
- Accessing and writing definitions

- Introduction to the phonemic chart and how to use it to support learning and pronunciation skills
